To make a 55-entry log sheet, use just this page, leaving the reverse blank . Follow the instructions at the foot of the page.
(Back the sheets up with this page, and cut in half to make *single* thickness 55-entry log sheets.)

Activity:		Level:	B/S/G
Date	What you did	Hours	Initials

Name

Activity:		Level	B/S/G
Date	What you did	Hours	Initials

Fold exactly in half to make an A5 sheet, with the printing on the outside.
Fold in half again to make an A6 booklet, with these instructions on the outside.
Cut off the portion below the dotted line

Activity:		Level:	B/S/G
Date	What you did	Hours	Initials

Activity:		Level:	B/S/G
Date	What you did	Hours	Initials

Back up page 1 sheets with this page to make sheets that can be folded to a 115-entry, 8 page, stapled booklet.
Fold up as described at the bottom of page 1, staple, cut along the dotted line, and cut along the top fold to open the middle pages.
